Our Purpose

The 13th Annual "You Can Call Me AI 5K Race" for the Children and Families of Croix Fer, Haiti will be hosted on August 3, 2019 in Zionsville, Indiana by St. Alphonsus Liguori Catholic Church.

In 2008, St. Alphonsus Liguori Catholic Church developed a unique relationship with the school and church of St. Anthony of Padua in the mountainous region of Croix Fer, Haiti. During our most recent visit in February 2017, we realized the impact we've made to over 3,000 families in the community by providing warm meals, clean water, education, medical attention, and micro-loans to its people.

Our Continued Impact

- **Expand** educational opportunities for the children by assisting with salaries and professional development opportunities for their teachers;
- **Provide** a nutritious meal during each school day for each student and provide continued support for the meal preparation, to include propane and cook support;
- **Create** a safe and comfortable environment for children to eat and socialize during the day by building kitchen and cafeteria buildings. These buildings are now also used for community-wide events;
- **Support** talented high school graduates to attend colleges in Haiti and contribute to the future educational and medical well-being of the Parish and community through educational scholarships;
- **Support** the St. Anthony of Padua Parish dispensary by assisting with salaries for nursing support so that minor medical care can be provided on-site daily to the community of Croix Fer;
- **Currently building** a community well owned by St. Anthony of Padua that provides continuous access to clean and safe water to those in the village and the Parish Rectory.

Our Goal

In addition to the ongoing programs listed above, St. Alphonsus Liguori Catholic Church is determined to:

- **Improve** the health and well-being of the children and families of St. Anthony of Padua Parish and the surrounding community of Croix Fer, Haiti;
- **Provide** the necessary audio visual equipment to accommodate family-friendly movie nights in the recently finished community center.

Our goal is to fund these efforts with an annual projection of **\$40,000**. *We hope you will consider joining us in this ongoing mission.*
